### General hospital ward

- Single room €60 per day + consultancy fee
- Double sharing room no surcharge

### Admission costs

The nursing day rate is a flat rate that covers part of the cost of the hospital stay and care. The health insurance fund pays most of the nursing day rate, but it is provided by law that you must pay a 'personal share', regardless of room choice. If you do not have cover with a health insurance fund, you will have to pay everything yourself.
